4 skill areas

Employment Law

Leave & Absence

Compensation & Tax

Salary Calculation & Accounting

WHAT THE TEST MEASURES

Employment Law

Various laws, the Holiday Act, the Employment Protection Act (LAS), different types of employment contracts, the significance of collective bargaining agreements, overtime regulations, occupational pensions, and defined-benefit and defined-contribution pension plans.

Leave & Absence

Compensation and payroll deductions, holiday pay and holiday compensation, holiday year versus earning year, paid and unpaid holiday days, parental leave, qualifying deduction, and Swedish Social Insurance Agency regulations.

Compensation & Tax

Various compensation, tax-exempt benefits, mileage allowance, tax-free per diems, personal expenses, travel expense reports, preliminary income tax, tax tables, employer contributions and special payroll tax on pensions.

Salary Calculation & Accounting

Gross and net salary calculations, holiday, sickness absence and parental leave, laws and collective agreements, salary additions and deductions, accrued and advance holiday, plus accounting for salary, preliminary tax, holiday accrual and employer contributions.
